July 2008:
The Club is off for the month of July.

August 2008:
Not too much going on as the club has been off for summer, will resume end of August.

September 2008:
The club donated \$50 to the Orange Cove High School Volleyball and Football programs.

The club held their annual Fall BBQ for the community on September 20th. The total income made this year was approximately \$1,200. This money will be used to fund future community and local school projects.

October 2008:
We had our citrus booth at the annual Fresno Fair this year again. This is the biggest fund raiser we have every year. We will raise approximately \$17,000 in prize money. A lot of hard work and many hours go into making this fair booth successful.

November 2008:
The club decided to donate \$1,500 to buy "Coats for Kids" and to deliver them to Orange Cove elementary students who are in need for a coat this winter.

Also, one of our members, Bob Brumm, passed away last month and we decided to give the Orange Cove High School a \$100 scholarship to be given to a graduate this school year in memory of Mr. Brumm.

January 2009:
Slow month for the club.

March 2009:
Our club sponsors our local Boy Scout Troop 288. We donated 1,480.00 to help them with their camp out activities, and also for registration and re-charter for their club. These boys scouts are very involved in our local community, this is why we try and help them out whenever we can.

April 2009:
Our Club had a bounce house at our community's annual Harvest Festival. We also had a kid's train ride. We had a great turnout! The bounce house and new this year's train ride was a big hit with the children. We made a gross total of \$255 for the rides, which we will put back into the community to help support our youth programs.

August 2008:

Every third Wednesday of month, Richgrove Lions sponsor (in charge of) food distribution for the community. Over 300 families receive commodities we receive from Tulare Foodlink Program, Tulare County. We start on Tuesday, packing and preparing the boxes to give out on Wednesday afternoon. We have about 6 Lions members and 5 volunteers help with unloading trucks and stacking food assembly line and packing boxes or bags for distribution. Its a Very tiring project but we love serving the families in our community.

October 2008:

On Oct. 15, 2008, Richgrove Lions distribute food commodities to needy families in the community and the surrounding area. We had over 300 families come to pick up a box of food. Larger families were given two boxes

Tme: 2:30-6:00 PM.at the Richgrove Memorial Building.

We had three volunteers that boxed the food starting at 9:00 AM and the rest of the group arrived at 2:30 PM to help box and register the families coming to pick up food.
